

The Seven Signs In John

The Seven Signs of John is based on the words that the apostle John writes near the end of his gospel. He said, "Therefore many other signs Jesus also performed in the presence of the disciples, which are not written in this book; but these have been written so that you may believe that Jesus is the Christ, the Son of God; and that believing you may have life in His name." (John 20:30-31)
