

The Missional Creed

We believe in God, Father, Son, and Holy Spirit,
Creator, upholder, and redeemer of the world.

We believe that God loves the world and sent His Son, who now
sends us.

**In mission we work with Him to create, uphold, and redeem, in our
small way.**

We believe that God directs and empowers the Church through His
Spirit, who is with us.

In mission we rely on Him for guidance and strength.

We believe that God wants to use everyone, in all places and all
times.

**In mission we communicate the gospel through word and deed as
we go about our lives.**

We believe that God treasures all races, cultures, genders, and ages
equally.

**In mission we proclaim and live the gospel in partnership with
others.**

We believe that God is concerned for heart, mind, spirit, and body.

In mission we seek to bring this wholeness to all people.

We believe that God affirms family, society, politics, and the arts and
sciences.

**In mission we influence all areas of human endeavour with gospel
salt and light.**
